ANNUAL INDEX

VOLUME 21, NO. 1 — VOLUME 21, NO. 6
January-February, 1980 — November-December, 1980

Agricultural Value of Wastes
- Utilization of Pine Bark Compost in Horticulture ... Jan-Feb 22
- Farm-Scale Composting: An Option to Anaerobic Digestion ... Jan-Feb 42
- Experiences in Converting Sludge into Humus ... Jan-Feb 50
- Dissolved Solids in Feedlot Manure Mar-Apr 30
- Organic Farming: A Step Towards Closed Nutrient Cycles ... Mar-Apr 40
- Acrylic Plant Compost as a Growing Medium ... Jul-Aug 33
- Landfill Leachate as Nutrient Source for Vegetable Crops ... Jul-Aug 48
- Composting Agricultural Residues . Sept-Oct 49

Aquaculture
- Is this the Decade for Aquaculture? Part I ... Jan-Feb 16
- Is This the Decade for Aquaculture? Part II ... Mar-Apr 37

Biogasification, Methane Recovery
- U.S. Cities Recover Methane from Landfills ... Jan-Feb 24
- Biogas Installations in the U.S. ... Jan-Feb 28
- Farm-Scale Methane to Electricity Generation ... Mar-Apr 11
- Ethyl Alcohol, Enzymes, and Farm Residues ... Sept-Oct 50
- "High Solids" Digestion ... Nov-Dec 10
- Synergy in Biogas ... Nov-Dec 10

Composting, Principles of
- Experiences of Converting Sludge into Humus ... Jan-Feb 50
- Kinetic Model of Composting Process ... May-June 44
- Composting Microbial Ecosystem: Implications for Design and Control Jul-Aug 25
- Fungicidal Properties of Composted Bark ... Nov-Dec 24

Composting Methods and Practices
- Bulking Agents in Sludge Composting ... Jan-Feb 32
- Farm-Scale Composting: An Option to Anaerobic Digestion ... Jan-Feb 42
- Composting of Solids from Pig and Poultry Liquid Manure ... Jan-Feb 46
- Composting Night Soil and Water Hyacinth in the Tropics ... Mar-Apr 25
- Composting Cottonseed Wastes ... May-June 27
- Bark Compost Use in Container Media ... May-June 38
- Vermicomposting for Sludge Management ... May-June 42
- An Overview of Composting Installations ... Jul-Aug 28
- Cold-Weather Sludge Composting Works in Maine ... Sept-Oct 20
- Virginia Compost Project Develops New Approaches ... Sept-Oct 28
- Leaf Composting Installations ... Sept-Oct 32
- Composting Combined Refuse and Sewage Sludge ... Sept-Oct 42
- Composting Agricultural Residues . Sept-Oct 49
- Shredded Rubber Tires As A Bulking Agent ... Nov-Dec 20
- Waste Disposal in Italy ... Nov-Dec 36
- Leaf Composting Through Appropriate, Low-Level Technology ... Nov-Dec 44

Earthworms
- Vermicomposting for Sludge Management ... May-June 42

Heavy Metals
- Trace Metals in Feedlot Manure ... May-June 30
- Metals Uptake By Sheep ... Nov-Dec 10

Industrial Wastes Recycling
- Recycled Industrial Wastes Aid Revegetation ... May-June 18

Landfills and Leachate
- U.S. Cities Recover Methane from Landfills ... Jan-Feb 24
- Landfill Leachate as Nutrient Source for Vegetable Crops ... July-Aug 48

Methane Recovery (see Biogasification)

Municipal Composting
- This City's Park System Thrives on Composting ... Mar-Apr 50
- An Overview of Composting Installations ... July-Aug 28
- Virginia Composting Project Develops New Approaches ... Sept-Oct 28
- Leaf Composting Installations ... Sept-Oct 32
- Leaf Composting Through Appropriate, Low-Level, Technology ... Nov-Dec 44

On-Site Waste Treatment, Compost Toilets
- The On-Site Push for the '80's ... Jan-Feb 14
- Wastewater Treatment for Lake Shores ... Mar-Apr 16
- On-Site Systems Advocated for African Nations ... May-June 14
- EPA Defends On-Site Systems for Small Communities ... July-Aug 18
- Grey Water Separation Gains ... Sept-Oct 18
- On-Site System Rehabilitation ... Sept-Oct 26
- Vacuum/Composting Toilet Has Advantages ... Nov-Dec 18
- Alternative Systems for Wastewater Management ... Nov-Dec 31

Public Policy and Economics of Waste Recycling
- The On-Site Push for the '80's ... Jan-Feb 14
- Some Trashy Predictions for 1982 to 2030 ... Mar-Apr 5
- EPA Issues PreProposal Draft Regulations on Sludge Use ... May-June 21
- Economic Analysis of Rural Sludge Management ... May-June 22
- EPA Defends On-Site Systems for Small Communities ... July-Aug 18
- Land Treatment of Municipal Wastewater ... July-Aug 46

Public Support and Participation
- Energy-Efficient Waste Management for the Eighties ... Jan-Feb 4
- Some Trashy Predictions for 1982-2030 ... Mar-Apr 5
- Can We Really be Entering the Age of Organic Recycling? ... July-Aug 5

Regional Waste Utilization and Waste Transport
- Michigan County Initiates Solid Waste Recycling ... Mar-Apr 18
- Santa Barbara is Big on Recycling . Mar-Apr 34
- City's Park System Thrives on Composting ... Mar-Apr 50
- Economic Analysis of Rural Sludge Management ... May-June 22
- Sprinkle Irrigation Answers City's Waste Problem ... May-June 35
- Land Treatment of Municipal Wastewater ... July-Aug 46
- Fresno: Building a Closed Loop System ... Sept-Oct 39

Resource Recovery and Recycling
- Designing a Vehicle to Collect Source-Separated Recyclables ... Jan-Feb 36
- Michigan County Initiates Solid Waste Recycling ... Mar-Apr 18
- Santa Barbara Is Big on Recycling . Mar-Apr 37
- Energy-Efficient Solid Waste Management ... July-Aug 20
- Energy in Michigan's Municipal Solid Waste ... July-Aug 36
- Fresno: Building a Closed Loop System ... Sept-Oct 39
- When Disaster Strikes The Garbage System ... Nov-Dec 49

Sludge Application and Agriculture
- Farm-Scale Composting: An Option to Anaerobic Digestion ... Jan-Feb 42
- Experiences in Converting Sludge into Humus ... Jan-Feb 50
- Dissolved Solids in Feedlot Manure Mar-Apr 30
- Organic Farming: A Step Towards Closed Nutrient Cycles ... Mar-Apr 40
- Biological Management at Land Application Sites ... Mar-Apr 47
- Trace Metals in Feedlot Manure ... May-June 30
- Landfill Leachate as Nutrient Source for Vegetable Crops ... July-Aug 46
- "Continuing" Program for Wastewater Solids ... Sept-Oct 23
- Waste Disposal in Italy ... Nov-Dec 36
- A Method for Predicting Agricultural Carrying Capacity ... Nov-Dec 38

Wastewater Treatment and Application
- Biological Management at Land Application Sites ... Mar-Apr 47
- Rural Wastewater Disposal Alternatives Project ... Mar-Apr 22
- Sprinkle Irrigation Answers City's Waste Problems ... May-June 35
- Land Treatment of Municipal Wastewaters ... July-Aug 46
- Wastewater Management for Rural Communities ... Sept-Oct 35
- Christmas Trees Enhanced by Sewage Effluent ... Nov-Dec 28
- Alternative Systems for Wastewater Management ... Nov-Dec 31
- Egypt and Israel Use Algae to Purify Wastewater ... Nov-Dec 34
